From the exit turn right onto Borough High Street and walk 100m until you come to Borough Road. Turn right into Borough Road (after The Ship pub). Walk approx. 30m, The Ministry is located at number 79–81. Look out for the melted disco ball outside the entrance.

Accessibility

Saxton Bampfylde is committed to being an equal opportunities organisation. Should you wish to discuss accessibility or any reasonable adjustments you may require, please don't hesitate to contact the Researcher or Project Coordinator working on your project – they would be more than happy to help with any queries.

From street level on Borough Road, The Ministry's entrance has step-free access to our second-floor office via a lift. The building is a co-working space with open and closed private areas to accommodate meetings. Within our office, there is a range of seating, both padded and non-padded. There is a fully accessible toilet, with partially accessible bathrooms near our office and throughout each floor of the building. A BSL interpreter is available by request in advance, but we do not have a hearing loop. Assistance dogs are always welcome in our building. We will also happily arrange to meet with you at another fully accessible location (or via video interview) as needed.
